Dear Sir:

This paper is submitted in response to a non-final first office action in the above case dated March 31, 2005 in which the Examiner issued a non-statutory double patenting rejection. Applicants submit herewith a terminal disclaimer to overcome this rejection. Applicants submit that pending claims 1-58 are in condition for allowance.

Applicants submit concurrently with this response an Information Disclosure Statement (IDS) including references made of record by an Examiner in the copending and commonly assigned U.S. Application No. 09/888,471. This application was referenced in the IDS previously filed on September 30, 2002, which the Examiner reviewed and initialed.

Amendments to the Claims are reflected in the listing of claims which begins on page 2. Remarks/Arguments begin on page 13.
